Section II

Part A — Human Rights

Question 21

Criteria	Marks
Demonstrates an understanding of how the <i>International Covenant on Civil and Political Rights</i> has contributed to the development of human rights	3
Makes statements about the <i>International Covenant on Civil and Political Rights</i> and the development of human rights	2
Makes general statements about human rights	1

Question 22

Criteria	Marks
- Demonstrates a thorough understanding of the role of IGOs in relation to human rights - Provides an informed explanation of how IGOs enforce human rights, using an appropriate example	5
- Demonstrates a sound understanding of the role of IGOs in relation to human rights - Provides an explanation of how IGOs enforce human rights, using an example	4
- Demonstrates an understanding of IGOs and the enforcement of human rights - May include an example	3
Makes general statements about IGOs and human rights	2
Makes a general statement about human rights	1

Question 23

Criteria	Marks
- Demonstrates a thorough understanding of international human rights law - Makes an informed judgement about the extent to which compliance with international human rights law has been achieved by nations	7
- Demonstrates a sound understanding of international human rights law - Makes a judgement about the extent to which compliance with international human rights law has been achieved by nations	5–6
- Demonstrates some understanding of international human rights law - Makes statements about compliance with international human rights	3–4
Makes general statements about international human rights law AND/OR compliance with human rights	2
Makes general statements about human rights	1

Section II

Part B — Crime

Question 24

Criteria	Marks
• Demonstrates extensive knowledge of the criminal trial process • Makes an informed judgement about the extent to which the criminal trial process reflects the moral and ethical standards of society • Integrates relevant examples such as legislation, cases, media, international instruments and documents • Presents a sustained, logical and cohesive response to the question using relevant legal terminology and concepts	13–15
• Demonstrates substantial knowledge of the criminal trial process • Makes a sound judgement about the extent to which the criminal trial process reflects the moral and ethical standards of society • Uses relevant examples such as legislation, cases, media, international instruments and documents • Presents a logical and cohesive response to the question using relevant legal terminology and concepts	10–12
• Demonstrates some knowledge of the criminal trial process • Makes a judgement about the extent to which the criminal trial process reflects the moral and ethical standards of society • Makes reference to examples such as legislation, cases, media, international instruments and documents • Presents a structured response to the question using relevant legal terminology and concepts	7–9
• Demonstrates limited knowledge of the criminal trial process • Makes general statements about the criminal trial process and the moral and ethical standards of society • Makes limited reference to examples such as legislation, cases, media, international instruments and documents • Uses some relevant legal terminology	4–6
• Writes in general terms about the criminal justice system AND/OR the moral and ethical standards of society • May include reference to legislation, cases, media, international instruments and documents • May use legal terminology	1–3

Section III — Options

Question 25 — Consumers

Question 25 (a)

Criteria	Marks
• Demonstrates extensive understanding of consumer law related to technology • Makes an informed judgement, using criteria, about the effectiveness of the legal system in addressing issues for consumers arising from technology • Integrates relevant examples such as legislation, cases, media, international instruments and documents • Presents a sustained, logical and cohesive response to the question using relevant legal terminology and concepts	21–25
• Demonstrates substantial understanding of consumer law related to technology • Makes a sound judgement, using explicit or implicit criteria, about the effectiveness of the legal system in addressing issues for consumers arising from technology • Uses relevant examples such as legislation, cases, media, international instruments and documents • Presents a logical and cohesive response to the question using relevant legal terminology and concepts	16–20
• Demonstrates an understanding of consumer law related to technology • Makes some judgement about the effectiveness of the legal system in addressing issues for consumers arising from technology • Makes some reference to examples such as legislation, cases, media, international instruments and documents • Presents a structured response to the question using relevant legal terminology and concepts	11–15
• Demonstrates limited understanding of consumer law related to technology • Makes statements about the effectiveness of the legal system in addressing issues for consumers • Makes limited reference to examples such as legislation, cases, media, international instruments and documents • Uses some relevant legal terminology	6–10
• Writes in general terms about consumer law • May include reference to legislation, cases, media, international instruments and documents • May refer to general legal terms	1–5

Question 25 (b)

Criteria	Marks
• Demonstrates extensive understanding of consumer law • Makes an informed judgement about the extent to which compliance can be difficult to achieve in relation to consumer law • Integrates relevant examples such as legislation, cases, media, international instruments and documents • Presents a sustained, logical and cohesive response to the question using relevant legal terminology and concepts	21–25
• Demonstrates substantial understanding of consumer law • Makes a sound judgement about the extent to which compliance can be difficult to achieve in relation to consumer law • Uses relevant examples such as legislation, cases, media, international instruments and documents • Presents a logical and cohesive response to the question using relevant legal terminology and concepts	16–20
• Demonstrates an understanding of consumer law • Makes some judgement about the extent to which compliance can be difficult to achieve in relation to consumer law • Makes some reference to examples such as legislation, cases, media, international instruments and documents • Presents a structured response to the question using relevant legal terminology and concepts	11–15
• Demonstrates limited understanding of consumer law • Makes statements about the extent to which compliance can be difficult to achieve • Makes limited reference to examples such as legislation, cases, media, international instruments and documents • Uses some relevant legal terminology	6–10
• Writes in general terms about consumer law • May include reference to legislation, cases, media, international instruments and documents • May refer to general legal terms	1–5

Question 26 — Global Environmental Protection

Question 26 (a)

Criteria	Marks
• Demonstrates extensive understanding of law arising from global environmental threats • Makes an informed judgement, using criteria, about the effectiveness of legal processes in addressing issues arising from global threats to the environment • Integrates relevant examples such as legislation, cases, media, international instruments and documents • Presents a sustained, logical and cohesive response to the question using relevant legal terminology and concepts	21–25
• Demonstrates substantial understanding of law arising from global environmental threats • Makes a sound judgement, using explicit or implicit criteria, about the effectiveness of legal processes in addressing issues arising from global threats to the environment • Uses relevant examples such as legislation, cases, media, international instruments and documents • Presents a logical and cohesive response to the question using relevant legal terminology and concepts	16–20
• Demonstrates an understanding of law arising from global environmental threats • Makes some judgement about the effectiveness of legal processes in addressing issues arising from global threats to the environment • Makes some reference to examples such as legislation, cases, media, international instruments and documents • Presents a structured response to the question using relevant legal terminology and concepts	11–15
• Demonstrates limited understanding of law arising from global environmental threats • Makes statements about the effectiveness of legal processes in addressing issues in global environmental protection • Makes limited reference to examples such as legislation, cases, media, international instruments and documents • Uses some relevant legal terminology	6–10
• Writes in general terms about global environmental protection • May include reference to legislation, cases, media, international instruments and documents • May refer to general legal terms	1–5

Question 26 (b)

Criteria	Marks
• Demonstrates extensive understanding of law relating to global environmental protection • Makes an informed judgement about the extent to which cooperation can be difficult to achieve in relation to global environmental protection • Integrates relevant examples such as legislation, cases, media, international instruments and documents • Presents a sustained, logical and cohesive response to the question using relevant legal terminology and concepts	21–25
• Demonstrates substantial understanding of law relating to global environmental protection • Makes a sound judgement about the extent to which cooperation can be difficult to achieve in relation to global environmental protection • Uses relevant examples such as legislation, cases, media, international instruments and documents • Presents a logical and cohesive response to the question using relevant legal terminology and concepts	16–20
• Demonstrates an understanding of law relating to global environmental protection • Makes some judgement about the extent to which cooperation can be difficult to achieve in relation to global environmental protection • Makes some reference to examples such as legislation, cases, media, international instruments and documents • Presents a structured response to the question using relevant legal terminology and concepts	11–15
• Demonstrates limited understanding of law relating to global environmental protection • Makes statements about the extent to which cooperation can be difficult to achieve • Makes limited reference to examples such as legislation, cases, media, international instruments and documents • Uses some relevant legal terminology	6–10
• Writes in general terms about law relating to global environmental protection • May include reference to legislation, cases, media, international instruments and documents • May refer to general legal terms	1–5

Question 27 — Family

Question 27 (a)

Criteria	Marks
• Demonstrates extensive understanding of law relating to care and protection of children • Makes an informed judgement, using criteria, about the effectiveness of the legal system in addressing issues related to care and protection of children • Integrates relevant examples such as legislation, cases, media, international instruments and documents • Presents a sustained, logical and cohesive response to the question using relevant legal terminology and concepts	21–25
• Demonstrates substantial understanding of law relating to care and protection of children • Makes a sound judgement, using explicit or implicit criteria, about the effectiveness of the legal system in addressing issues related to care and protection of children • Uses relevant examples such as legislation, cases, media, international instruments and documents • Presents a logical and cohesive response to the question using relevant legal terminology and concepts	16–20
• Demonstrates an understanding of law relating to care and protection of children • Makes some judgement about the effectiveness of the legal system in addressing issues related to care and protection of children • Makes some reference to examples such as legislation, cases, media, international instruments and documents • Presents a structured response to the question using relevant legal terminology and concepts	11–15
• Demonstrates limited understanding of law relating to care and protection of children • Makes statements about the effectiveness of the legal system in addressing issues for children • Makes limited reference to examples such as legislation, cases, media, international instruments and documents • Uses some relevant legal terminology	6–10
• Writes in general terms about family law • May include reference to legislation, cases, media, international instruments and documents • May refer to general legal terms	1–5

Question 27 (b)

Criteria	Marks
• Demonstrates extensive understanding of family law • Makes an informed judgement about the extent to which compliance can be difficult to achieve in relation to family law • Integrates relevant examples such as legislation, cases, media, international instruments and documents • Presents a sustained, logical and cohesive response to the question using relevant legal terminology and concepts	21–25
• Demonstrates substantial understanding of family law • Makes a sound judgement about the extent to which compliance can be difficult to achieve in relation to family law • Uses relevant examples such as legislation, cases, media, international instruments and documents • Presents a logical and cohesive response to the question using relevant legal terminology and concepts	16–20
• Demonstrates an understanding of family law • Makes some judgement about the extent to which compliance can be difficult to achieve in relation to family law • Makes some reference to examples such as legislation, cases, media, international instruments and documents • Presents a structured response to the question using relevant legal terminology and concepts	11–15
• Demonstrates limited understanding of family law • Makes statements about the extent to which compliance can be difficult to achieve • Makes limited reference to examples such as legislation, cases, media, international instruments and documents • Uses some relevant legal terminology	6–10
• Writes in general terms about family law • May include reference to legislation, cases, media, international instruments and documents • May refer to general legal terms	1–5

Question 28 — Indigenous Peoples

Question 28 (a)

Criteria	Marks
• Demonstrates extensive understanding of law relating to indigenous peoples' cultural rights • Makes an informed judgement, using criteria, about the effectiveness of legal processes in addressing issues for indigenous peoples arising from the loss of cultural rights • Integrates relevant examples such as legislation, cases, media, international instruments and documents • Presents a sustained, logical and cohesive response to the question using relevant legal terminology and concepts	21–25
• Demonstrates substantial understanding of law relating to indigenous peoples' cultural rights • Makes a sound judgement, using explicit or implicit criteria, about the effectiveness of legal processes in addressing issues for indigenous peoples arising from the loss of cultural rights • Uses relevant examples such as legislation, cases, media, international instruments and documents • Presents a logical and cohesive response to the question using relevant legal terminology and concepts	16–20
• Demonstrates an understanding of law relating to indigenous peoples' cultural rights • Makes some judgement about the effectiveness of legal processes in addressing issues for indigenous peoples arising from the loss of cultural rights • Makes some reference to examples such as legislation, cases, media, international instruments and documents • Presents a structured response to the question using relevant legal terminology and concepts	11–15
• Demonstrates limited understanding of law relating to indigenous peoples' cultural rights • Makes statements about the effectiveness of legal processes in addressing issues for indigenous peoples • Makes limited reference to examples such as legislation, cases, media, international instruments and documents • Uses some relevant legal terminology	6–10
• Writes in general terms about the rights of indigenous peoples • May include reference to legislation, cases, media, international instruments and documents • May refer to general legal terms	1–5

Question 28 (b)

Criteria	Marks
• Demonstrates extensive understanding of law relating to indigenous peoples • Makes an informed judgement about the extent to which cooperation can be difficult to achieve in relation to indigenous peoples • Integrates relevant examples such as legislation, cases, media, international instruments and documents • Presents a sustained, logical and cohesive response to the question using relevant legal terminology and concepts	21–25
• Demonstrates substantial understanding of law relating to indigenous peoples • Makes a sound judgement about the extent to which cooperation can be difficult to achieve in relation to indigenous peoples • Uses relevant examples such as legislation, cases, media, international instruments and documents • Presents a logical and cohesive response to the question using relevant legal terminology and concepts	16–20
• Demonstrates an understanding of law relating to indigenous peoples • Makes some judgement about the extent to which cooperation can be difficult to achieve in relation to indigenous peoples • Makes some reference to examples such as legislation, cases, media, international instruments and documents • Presents a structured response to the question using relevant legal terminology and concepts	11–15
• Demonstrates limited understanding of law relating to indigenous peoples • Makes statements about the extent to which cooperation be difficult to achieve • Makes limited reference to examples such as legislation, cases, media, international instruments and documents • Uses some relevant legal terminology	6–10
• Writes in general terms about law relating to indigenous peoples • May include reference to legislation, cases, media, international instruments and documents • May refer to general legal terms	1–5

Question 29 — Shelter

Question 29 (a)

Criteria	Marks
• Demonstrates extensive understanding of legal responses relating to affordability of shelter • Makes an informed judgement, using criteria, about the effectiveness of the legal system in addressing issues related to the affordability of shelter • Integrates relevant examples such as legislation, cases, media, international instruments and documents • Presents a sustained, logical and cohesive response to the question using relevant legal terminology and concepts	21–25
• Demonstrates substantial understanding of legal responses relating to affordability of shelter • Makes a sound judgement, using explicit or implicit criteria, about the effectiveness of the legal system in addressing issues related to the affordability of shelter • Uses relevant examples such as legislation, cases, media, international instruments and documents • Presents a logical and cohesive response to the question using relevant legal terminology and concepts	16–20
• Demonstrates an understanding of legal responses relating to affordability of shelter • Makes some judgement about the effectiveness of the legal system in addressing issues related to the affordability of shelter • Makes some reference to examples such as legislation, cases, media, international instruments and documents • Presents a structured response to the question using relevant legal terminology and concepts	11–15
• Demonstrates limited understanding of legal responses relating to affordability of shelter • Makes statements about the effectiveness of the legal system in addressing issues for those seeking shelter • Makes limited reference to examples such as legislation, cases, media, international instruments and documents • Uses some relevant legal terminology	6–10
• Writes in general terms about legal responses relating to shelter • May include reference to legislation, cases, media, international instruments and documents • May refer to general legal terms	1–5

Question 29 (b)

Criteria	Marks
• Demonstrates extensive understanding of laws governing shelter • Makes an informed judgement about the extent to which compliance can be difficult to achieve in relation to shelter • Integrates relevant examples such as legislation, cases, media, international instruments and documents • Presents a sustained, logical and cohesive response to the question using relevant legal terminology and concepts	21–25
• Demonstrates substantial understanding of laws governing shelter • Makes a sound judgement about the extent to which compliance can be difficult to achieve in relation to shelter • Uses relevant examples such as legislation, cases, media, international instruments and documents • Presents a logical and cohesive response to the question using relevant legal terminology and concepts	16–20
• Demonstrates an understanding of laws governing shelter • Makes some judgement about the extent to which compliance can be difficult to achieve in relation to shelter • Makes some reference to examples such as legislation, cases, media, international instruments and documents • Presents a structured response to the question using relevant legal terminology and concepts	11–15
• Demonstrates limited understanding of laws governing shelter • Makes statements about the extent to which compliance can be difficult to achieve • Makes limited reference to examples such as legislation, cases, media, international instruments and documents • Uses some relevant legal terminology	6–10
• Writes in general terms about laws governing shelter • May include reference to legislation, cases, media, international instruments and documents • May refer to general legal terms	1–5

Question 30 — Workplace

Question 30 (a)

Criteria	Marks
• Demonstrates extensive understanding of law relating to workplace safety • Makes an informed judgement, using criteria, about the effectiveness of the legal system in addressing issues related to workplace safety • Integrates relevant examples such as legislation, cases, media, international instruments and documents • Presents a sustained, logical and cohesive response to the question using relevant legal terminology and concepts	21–25
• Demonstrates substantial understanding of law relating to workplace safety • Makes a sound judgement, using explicit or implicit criteria, about the effectiveness of the legal system in addressing issues related to workplace safety • Uses relevant examples such as legislation, cases, media, international instruments and documents • Presents a logical and cohesive response to the question using relevant legal terminology and concepts	16–20
• Demonstrates an understanding of law relating to workplace safety • Makes some judgement about the effectiveness of the legal system in addressing issues related to workplace safety • Makes some reference to examples such as legislation, cases, media, international instruments and documents • Presents a structured response to the question using relevant legal terminology and concepts	11–15
• Demonstrates limited understanding of law relating to workplace safety • Makes statements about the effectiveness of the legal system in addressing issues for workers • Makes limited reference to examples such as legislation, cases, media, international instruments and documents • Uses some relevant legal terminology	6–10
• Writes in general terms about workplace law • May include reference to legislation, cases, media, international instruments and documents • May refer to general legal terms	1–5

Question 30 (b)

Criteria	Marks
• Demonstrates extensive understanding of workplace law • Makes an informed judgement about the extent to which compliance can be difficult to achieve in relation to workplace law • Integrates relevant examples such as legislation, cases, media, international instruments and documents • Presents a sustained, logical and cohesive response to the question using relevant legal terminology and concepts	21–25
• Demonstrates substantial understanding of workplace law • Makes a sound judgement about the extent to which compliance can be difficult to achieve in relation to workplace law • Uses relevant examples such as legislation, cases, media, international instruments and documents • Presents a logical and cohesive response to the question using relevant legal terminology and concepts	16–20
• Demonstrates an understanding of workplace law • Makes some judgement about the extent to which compliance can be difficult to achieve in relation to workplace law • Makes some reference to examples such as legislation, cases, media, international instruments and documents • Presents a structured response to the question using relevant legal terminology and concepts	11–15
• Demonstrates limited understanding of workplace law • Makes statements about the extent to which compliance can be difficult to achieve • Makes limited reference to examples such as legislation, cases, media, international instruments and documents • Uses some relevant legal terminology	6–10
• Writes in general terms about workplace law • May include reference to legislation, cases, media, international instruments and documents • May refer to general legal terms	1–5

Question 31 — World Order

Question 31 (a)

Criteria	Marks
• Demonstrates extensive understanding of law relating to the conduct of hostilities • Makes an informed judgement, using criteria, about the effectiveness of legal measures in addressing issues related to rules regarding the conduct of hostilities • Integrates relevant examples such as legislation, cases, media, international instruments and documents • Presents a sustained, logical and cohesive response to the question using relevant legal terminology and concepts	21–25
• Demonstrates substantial understanding of law relating to the conduct of hostilities • Makes a sound judgement, using explicit or implicit criteria, about the effectiveness of legal measures in addressing issues related to rules regarding the conduct of hostilities • Uses relevant examples such as legislation, cases, media, international instruments and documents • Presents a logical and cohesive response to the question using relevant legal terminology and concepts	16–20
• Demonstrates an understanding of law relating to the conduct of hostilities • Makes some judgement about the effectiveness of legal measures in addressing issues related to rules regarding the conduct of hostilities • Makes some reference to examples such as legislation, cases, media, international instruments and documents • Presents a structured response to the question using relevant legal terminology and concepts	11–15
• Demonstrates limited understanding of law relating to the conduct of hostilities • Makes statements about the effectiveness of legal measures in addressing issues related to the conduct of hostilities • Makes limited reference to examples such as legislation, cases, media, international instruments and documents • Uses some relevant legal terminology	6–10
• Writes in general terms about world order • May include reference to legislation, cases, media, international instruments and documents • May refer to general legal terms	1–5

Question 31 (b)

Criteria	Marks
• Demonstrates extensive understanding of law relating to world order • Makes an informed judgement about the extent to which cooperation can be difficult to achieve in relation to world order • Integrates relevant examples such as legislation, cases, media, international instruments and documents • Presents a sustained, logical and cohesive response to the question using relevant legal terminology and concepts	21–25
• Demonstrates substantial understanding of law relating to world order • Makes a sound judgement about the extent to which cooperation can be difficult to achieve in relation to world order • Uses relevant examples such as legislation, cases, media, international instruments and documents • Presents a logical and cohesive response to the question using relevant legal terminology and concepts	16–20
• Demonstrates an understanding of law relating to world order • Makes some judgement about the extent to which cooperation can be difficult to achieve in relation to world order • Makes some reference to examples such as legislation, cases, media, international instruments and documents • Presents a structured response to the question using relevant legal terminology and concepts	11–15
• Demonstrates limited understanding of law relating to world order • Makes statements about the extent to which cooperation can be difficult to achieve • Makes limited reference to examples such as legislation, cases, media, international instruments and documents • Uses some relevant legal terminology	6–10
• Writes in general terms about law relating to world order • May include reference to legislation, cases, media, international instruments and documents • May refer to general legal terms	1–5
